OUR MISSION

To proclaim the good news of Jesus Christ to the lost and to equip the body of Christ to do the same.

GOD'S WORK

Since 1999, God has used Evangelist Darrel Davis to proclaim the gospel in 12 countries and 18 states in every context imaginable from churches, to prisons, to the streets, and more. During that time, he has also equipped hundreds of people to proclaim the good news of the Gospel.

WHAT WE OFFER

REVIVALS

Churches often need to experience a fresh wind from God and a reminder that they are to be on mission with Him in their community and beyond. We offer Sun.-Thurs. and Fri.-Sun. revivals tailored for your church. We will guide you throughout the preparation process to help your event be more effective.

TRAINING

Believers need training to build their confidence in sharing the gospel. Our on-campus training methods include practical application as we lead teams into the community to put into practice what they have learned. 1 and 2 day options available (weekend). Virtual options are also available.

HARVEST SUNDAYS AND OUTREACHES

The gospel can be presented in a single event through a sermon or we can use tools like the paint board to share it during your outreach event. We will work with your church to prepare your members to join in the harvest through prayer preparation.
